WLA meets BFI

Lucky WLA students got the chance to use state-of-the-art media facilities and enjoy a private cinema screening when they visited the British Film Institute on Tuesday 22nd April.

The students were all members of the English G&T club and were researching and discussing how British identity has been represented on film throughout the ages.

Students had the chance to trawl through films in the Mediatheque, ranging from Queen Elizabeth's coronation to Monty Python, all the way through to 'Little Britain'!

Everyone thoroughly enjoyed the day, the staff at the BFI were very helpful, and we hope to run visits there again.

Gurdwara Visit

Year 8 students went on a successful visit to the Gurdwara Sri Guru Singh Sabha in Southall (Sikh Temple) as part of their study of Sikhism in their Religious Studies Lessons.

The students learned about the history of the religion and had a tour of the Gurdwara. They were then invited to partake of a vegetarian meal in the Langar Hall (free community kitchen).

While in the Gurdwara, students covered their heads to show respect. The students behaved excellently and were polite and respectful throughout the visit. They were a credit to West London Academy.
