## Q3 visit West London Academy

On Wednesday 12th March WLA students and staff welcomed student and staff representatives from Dartmouth High School, Sandwell (nr Birmingham) which is in the process of becoming Q3 Academy from September 2008. They are currently living in a building site and occupying the old school at present which is in the same state as the old Compton School before it was knocked down. They visited the Academy to get inspiration after all the good things they have heard about WLA.

Visiting students were paired up with students from WLA in a 'buddy' system and got to sit in on their lessons in a range of subjects over every year group.

## Thank You!

We would like to take this opportunity to thank all the parents who joined us for the Primary Parents Evening this week.

Your attendance makes such a difference to your children's progress.

If you have not attended yet, please come to see your child's teacher to make an appointment as soon as possible.

## Date for your diary

All Primary Phase parents and staff - date for your diaries.

Two very important events are happening on Thursday 27th March. Firstly at 6pm in the Primary Hall there will be the first Annual General Meeting of the new Primary Phase Parent and Staff Association (PSA).

All parents are automatically members but if you would like to get actively involved please make it a priority to attend. Refreshments will be served from 5.30pm.

The AGM will be followed by a Literacy Curriculum Evening at 7pm. This promises to be an exciting event, with interactive presentations similar to the very popular Numeracy Curriculum Evening held in November.

If you want to know how best to support your child's developing literacy skills and what this BIG Writing is all about - these and many other frequently asked questions will be answered. We promise it will be fun!

On a practical note neither of these events are appropriate for children to attend but there will be a crèche facility available. More details to follow in a letter next week.

## Reminders

Year 5/6 that there will be a cross phase assembly on Monday morning in the High School from 8.40am. It would be great if as many children as possible could attend as this is a good opportunity for the children to meet teachers and other students further up the Academy.

There will be an exhibition of the children's art in the school hall after school finishes on 20th March. The children have been making art out of recycled materials and it would be great if you could come along and see their efforts.

## March Festival!

As part of West London Academy's work with the EiC Action Zone and the Northolt Extended Schools Partnership we are holding the March Festival event here at the Academy. Various primary schools will be joining us in the celebration including Gifford Primary School, Petts Hill Primary School, Viking Primary School and Wood End Junior School. In addition, there will be a huge parade at Northala Fields on the afternoon of March 19th, in which we release balloons to celebrate primary - secondary transition.

Last chance to purchase Key Stage 2 SAT's Revision Guide booklets at a reduce price of £1.50 per book (£4.50 in shops)
