ISSUE 2 TERM 2

West London Academy's weekly newsletter, Informing Parents and Students of Academy events

## The Big Question in WLA Theatre

How the television audience saw WLA Theatre. Inset: The Theatre being made over.

Just after the end of last term on December 30th WLA Theatre hosted the BBC'S topical, moral and religious debates show *The Big Question*. Several pupils participated in the TV show presented by Nicky Campbell and were in the audience. The show, discussed issues of alcohol, the problem of evil and astrology.

Year 10 student Nivethika was in the audience and said: "I really enjoyed watching and listening to people's different views on the topics." The BBC will return to the Academy to film the next live show on the 10th May and 6th April.

## Mobile Phones, MP3/4 players and Jewellery

We have several very clear non-negotiables when it comes to day-to-day life at West London Academy- unfortunately the following remain an issue with a minority of students:

\* **Jewellery is not to be worn apart from flat, plain ear studs (no jewels or gems) with a maximum of one in each ear**

\* **Mobile phones and MP3/4 players as with any other music players or computer games are not to be brought to the Academy at anytime**

Staff **will** confiscate these items (as they are empowered to do under the Education and Inspections Act 2006) if they are seen on a student, so please leave them at home! Confiscated items will be placed in the Year Base Safe. Items will only be returned to parents who will be invited in to the Academy for a short meeting and to collect the item. We would like to thank you for your ongoing support with these issues.

## THE SCIENCE

CORNER

Get your answers in to Mr Gaza by Wednesday. Each weekly winner will be entered into a draw at the end of term for a fantastic prize. Last weeks winner was Selma 11W2. Well done!

1. The unit of mass.

2. Drugs which destroy bacteria inside the body without damaging human cells.
