A unique leadership opportunity in an all-age/all-through school making a difference at the heart of the community.

Judged as a 'Good' school with several 'Outstanding' aspects by Ofsted (Jan 2010) and following the promotion of the current post-holder to Vice Principal - Head of Primary Phase we are seeking to appoint an experienced and exceptional person to join the Academy Leadership Team to help lead the next phase of strategic development of the Primary which is very popular and heavily oversubscribed. As a result the Primary Phase is expanding to 3FE with an additional c. £4.5m new build.

We are looking for an outstanding leader able to demonstrate a clear record of contributing to school improvement and with the leadership experience, qualities, management skills and drive necessary to capitalise on the opportunities afforded as an leader in an all-through/all-age school which makes this an exciting leadership challenge for the successful applicant.

The all-through structure allows for central management of all financial, HR, ICT Network, Hospitality and Building Services functions thus allowing Leadership Team the opportunity to focus on successful leadership of learning and teaching, further raising attainment, and innovative curriculum and staff development whilst enjoying considerable delegated autonomy.

West London Academy Primary Phase offers:
